

Community Building

Since 1992 Desert Sky Development has strived to be more than just another custom home builder. We are a family-run, full-service construction company specializing in building and remodeling custom homes.

We live, work and play in the communities we serve. Our children attend Pinnacle Peak Elementary school, play sports locally and participate in neighborhood activities.

Whether we're building a custom home, remodeling a kitchen, or performing a tenant improvement, we understand that you are investing your time and emotion as well as your money. We approach every project with the highest commitment to excellence, quality and value.

Making the entire building process easy and enjoyable for you, is a priority. We offer the services necessary to take your vision from concept to completion. These include financing, architectural design, construction, and landscape design.

Customer satisfaction is our main goal. Whether you have plans already drawn or would like someone to develop your ideas, call us for a free consultation.

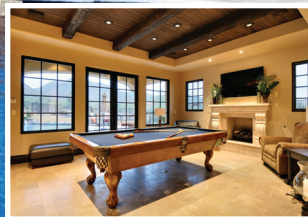

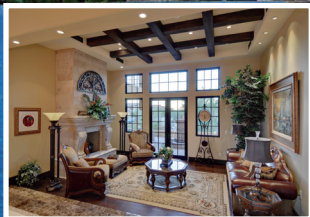

To view samples from our award-winning portfolio, read some client testimonials and learn more about Desert Sky, please visit us at www.DesertSkyDevelopment.com, or call us at 480.391.3161.

We'd like to add you to the growing list of clients who fully appreciate our motto, "Where Quality Feels at Home".

Respectfully,

Mike Fratantoni
Owner
